HOW DID JESUS MAKE DISCIPLES?

Jesus created spaces and places for a small community to **study** His words, **practice** what they learned, and release them to **teach** others.

WHAT DID DISCIPLE DAILY DO IN 2022?

Following Jesus' example, our team made space (time & energy) to **invest** in key people/ministries in domestic and international locations.

A PLACE FOR DISCIPLESHIP

In May 2020, the Lord gave Disciple Daily a benefactor that made it possible to occupy and develop a [5-acre property](#) in New Braunfels.

This property is now owned by a private investment group. They are developing the property and making it available long-term to Disciple Daily as a home for our programs and training.

We call the property [Lone Oak](#) and have affectionately named the home, [The Fellowship House](#).

Your donations to Disciple Daily support our ministry alone. They are not used to purchase or develop this property.

We invite you to come see us at Lone Oak!

HOW YOU CAN HELP

1 \$1-a-Day Monthly Donors

As the ministry grows, so does the need to be able to plan ahead, and commit to people and partners in 2023. **Monthly donors are key** to being able to have a steady base of operations.

Would you join our monthly giving team? We suggest \$1 a day (\$30/mo.) or whatever works within your budget.

2 One-time gifts

End-of-year giving is the lifeblood of most ministries. We are no different. Over half of our funding comes in during December. We are grateful for every one of these gifts.

3 The cost to run the ministry

The projected budget to operate our programs in 2023 is \$250,000.

Disciple Daily is a 501c3 organization that makes your generous gift tax-deductible.
